## *A Note from Rep. Allen*

---

Governor Walker introduced the [2015-2017 Wisconsin budget](#) a couple weeks ago. My office is now in the process of listening to our district and other stakeholders. Two years ago the most significant changes to the budget were made following introduction of the budget. These changes were made possible by hearing your feedback, by the hard work of the Joint Finance Committee (JFC) and by additional revenue estimates. Changes that JFC made last time included a \$150 increase in education funding per student, tax reforms and cuts and a tuition freeze. Substantial changes will be made to this budget as well. My office can take your comments and concerns in a variety of ways including the following:

- Listening sessions in the district. My office will provide the dates for these listening sessions in future e-updates.
- Send correspondence via mail (PO Box 8952 Room 8 West Madison, WI 53708)
- Call with your concerns or questions (888)534-0097
